FRENCH AIRMEN

Bombard Headquarters of Von Heeringen, Commander of the German Center.

GERMANS CHECKED AT AISNE

Advance Stopped by Combined Artillery and Machine Gun Fire-Germans Report Three British Airships Chased Into Sea.

Berlin, Feb. 1,-Three British aeroplanes which took part in the recent raid over Ostend and Zeebrugge were destroyed by Germans, it was unofficially reported here. Among the items given out by the government news bureau was the following:

"Reports printed in Beale, Switzer land, newspapers state that only four of the seven English aeroplanes which bombarded Ostend and Zeebrugge returned to their base. Three of the British machines were surrounded by German airmen and chased into the

By FRANKLIN P. MERRICK.

Paris, Feb. 1.-French airmen, braving a terrific fire from German highangle guns, have bombarded the headquarters of General von Heeringen. commander of the German army of the these points are situated north and mous elbow formed by the junction of the Alsne and Oise rivers.

The German attempts to swing across the Aisne in the angle of the river at Venizel had for its object the capture of a spur of railway line running from Venizel into Soissons. Aerial Activity Increased.

The German efforts broke down under the combined artillery and machine gun fire of the French, who hold their quarters were greatly frightened. Hold Up Clerks in Pawn Shop in strongly fortified positions on the It was only by heroic efforts that the heights flanking the south bank of the attendants succeeded in restraining Aisne at Venizel

Official dispatches from all sections of the battle front show the increase of aerial activity among the French, British and Germans

Fairly violent artillery duels are reported from Ypres, in West Flanders, Arras, Reims and the heights of the Meuse.

Despite fog and cold weather, the French pressure in the Vosges and in upper Alsace is continuing without any

At the other end of the battle line, upon the coast of the North sea, the Belgian, French and British forces are pressing vigorously to push back the extreme end of the German right-

TO THE TOBACCO GROWERS AND THOSE WHO SELL IT: We have heard some talk lately, the kind that says "don't quote me," relative to some

house somewhere getting just a little more for your tobacco than the "Old Reliable Madison." We can hardly blame the fellow that makes such a statement asking not to be quoted. We want to be quoted however, and want you to read the actual prices some crop lots have brought on our floors this season. Don't let some fellow worry you by saying these prices are not real. If he makes such a statement he will no doubt ask you to keep it on the "Q. T." also. Truth, however, needs no apology. You can quote anything we say to anybody. We give some crop lot average below. You needn't keep it quiet; tell all your neighbors and friends, we want them to know it is just facts represented by dollars paid for tobacco. This is worth a whole barn full of

	cheap quiet talk. But it fools a few farmers	for just a little whi	le.
